## PRINCIPAL'S MESSAGE 1966-1967

Abraham Lincoln said, "I am not bound to win, but I am bound to be true. I am not bound to succeed, but I am bound to live by the light that I have." If you will be true, I believe you will be a winner by living a finer and more noble life. If you will live by the light you have — using your talents God has given you — I believe your chance of enjoying success in life will be excellent.

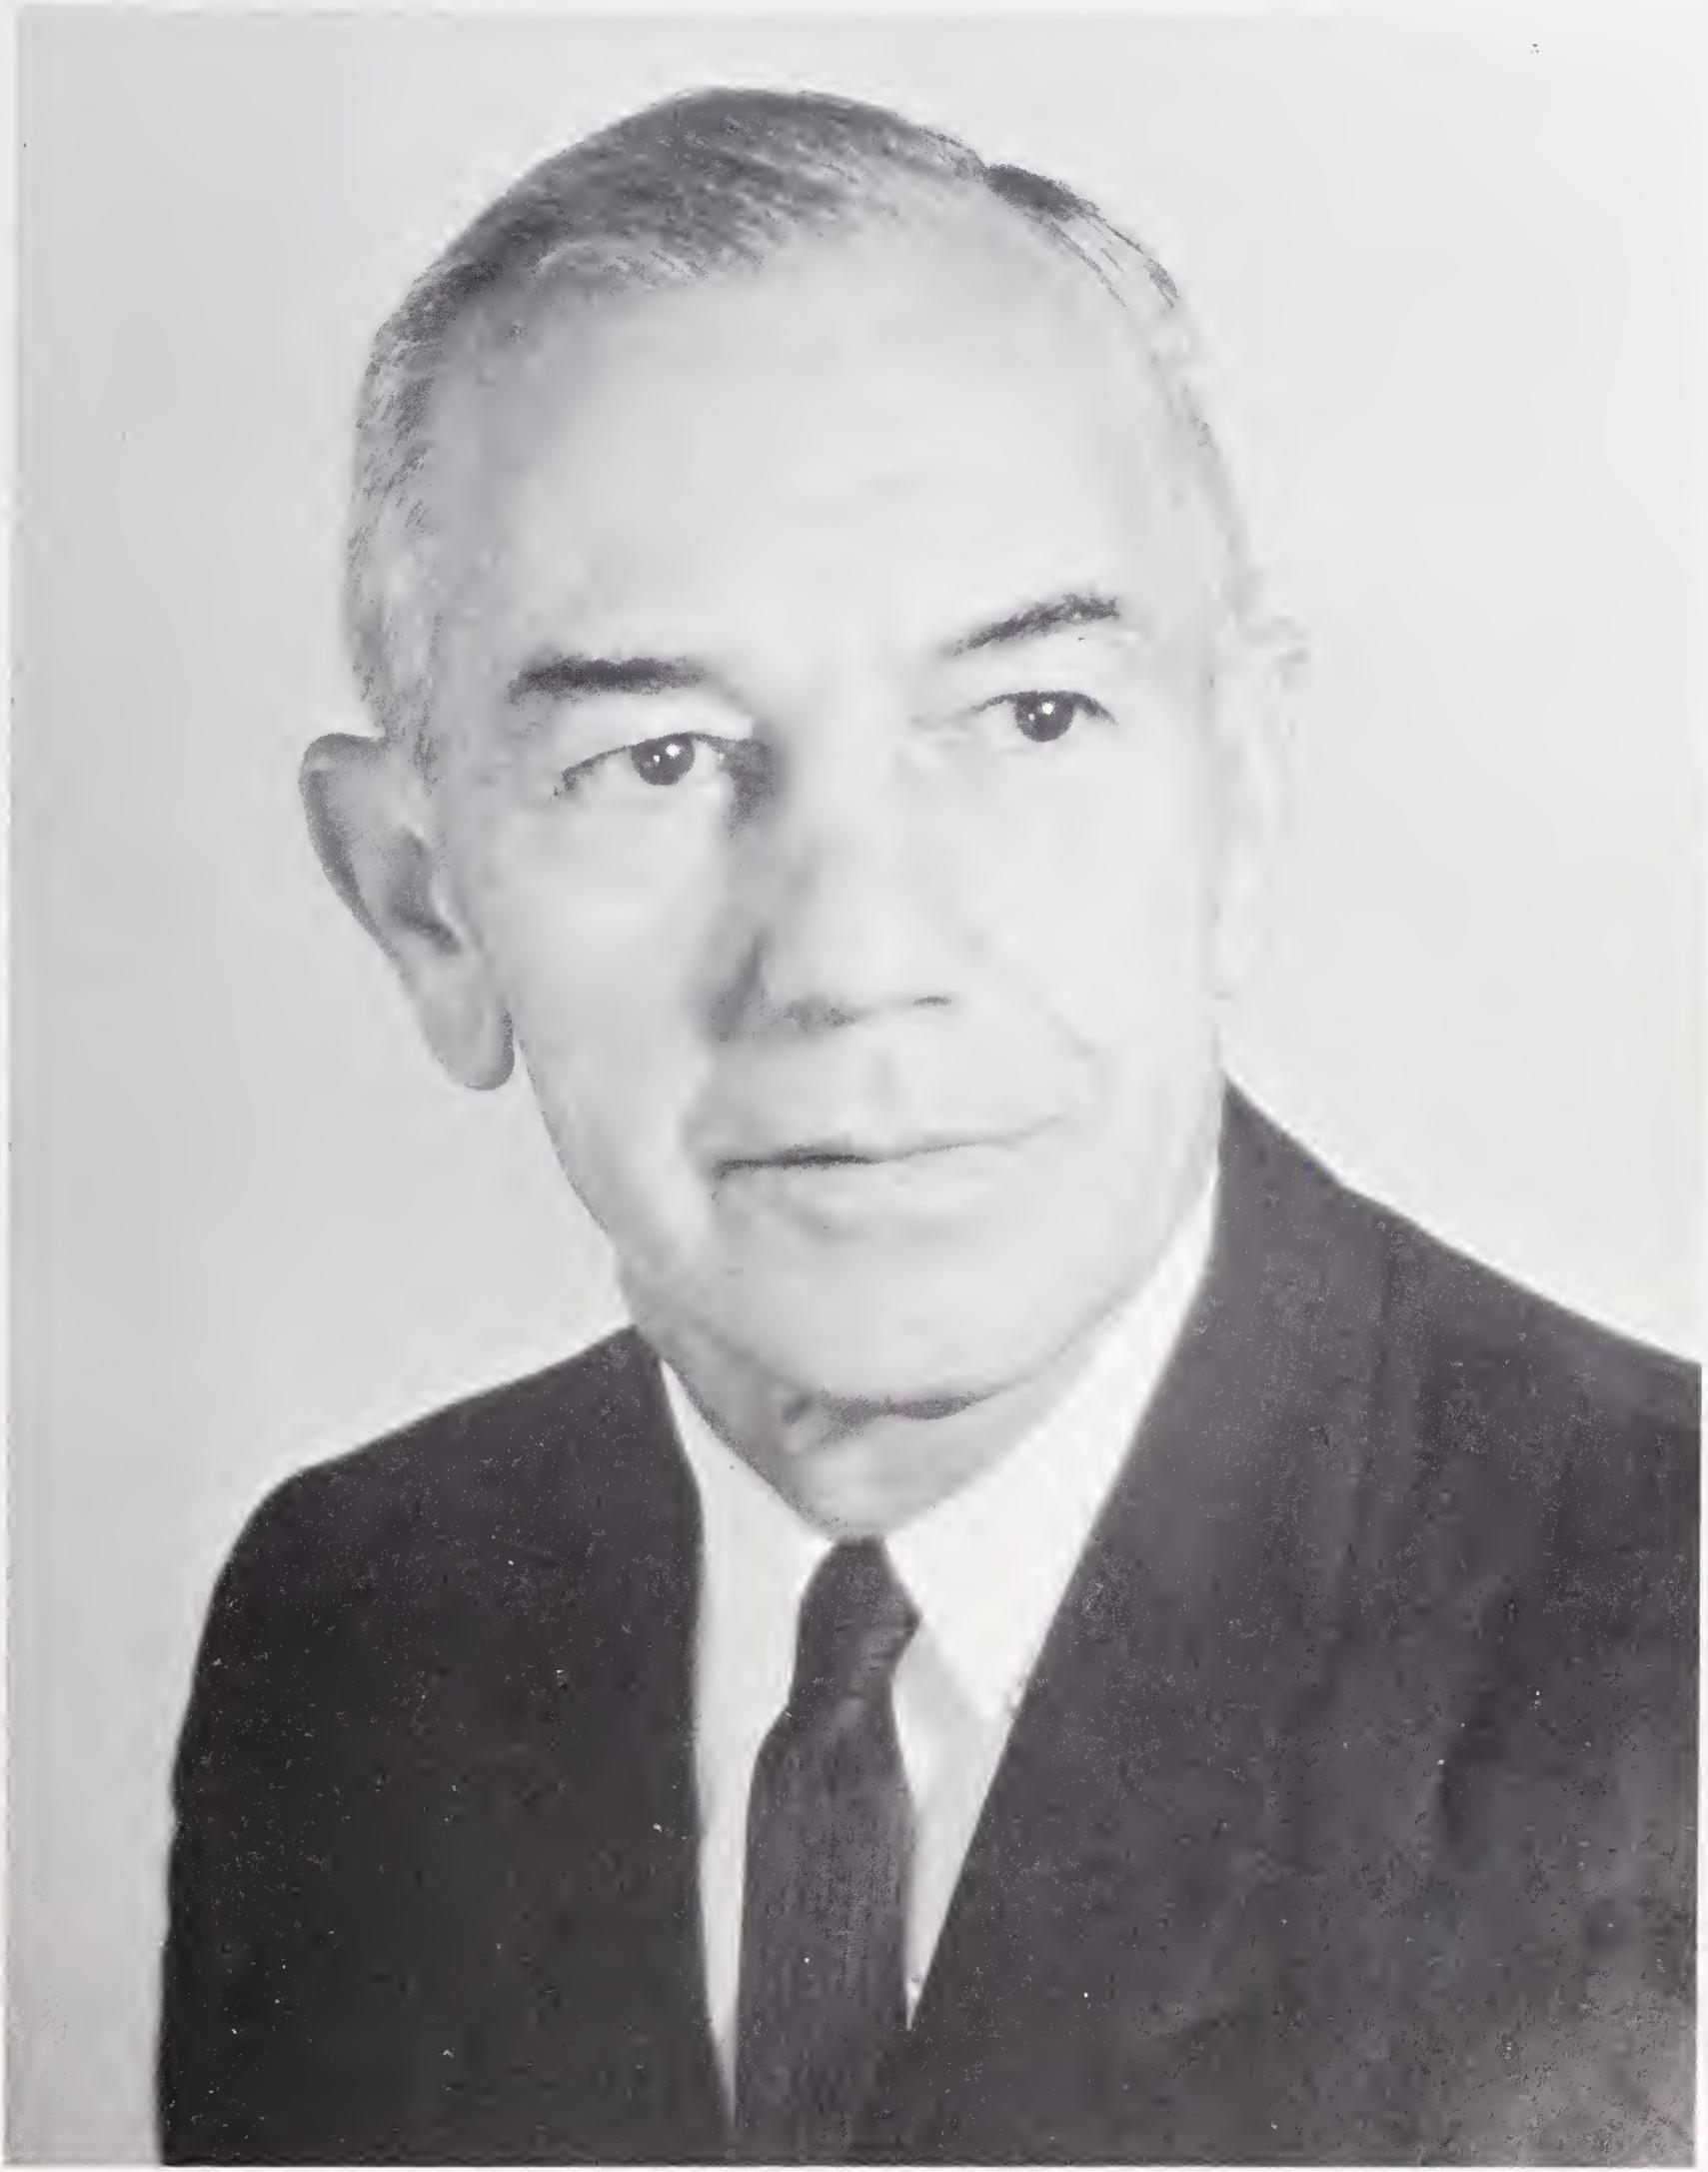

As the years go by, I hope you will ever keep in mind the wise advice of President Lincoln.

HISTORY  
OF  
WEST YADKIN CLASSES  
1936-1966

# THIS WAS WEST YADKIN IN 1935-36

This building containing sixteen classrooms, an office, an auditorium and a library was located on a ten-acre tract of land obtained from the Martin estate. This consolidated school served 816 students from the one-teacher schools in the district that first year. Later it was to serve all students from Bell, Branion, Cave Hole, Evans, Flint Hill, Knobs, Fairview, Haynes, Hamptonville, Longtown, Oak Grove, Shiloh, Shore, and Windsor Crossroads. That first year schools were maintained at Hamptonville and Windsor Crossroads, serving 140 students. A high school had been operated for a short time at Hamptonville, but in 1935-36 this building served the high school students although it had been built to be an elementary school only. During the first year of operation the auditorium added 312 chairs, complete athletic equipment for boys and girls was purchased and a \$7,500 WPA project improved the school grounds and began the construction of the gymnasium.

# FIRST AND PRESENT PRINCIPAL

## FIRST PRINCIPAL 1935-1945

W. N. Ireland served as the first principal through 1945. He was instrumental in getting the high-school started. Through his diligent and untiring efforts, West Yadkin became an accredited high school the first year. This is an outstanding achievement for any school.

During his years of service the school library was better equipped, a gymnasium was completed, a four-room elementary addition was made and departments of agriculture and home economics were established.

During the ten years after his term as principal he served in 1951 General Assembly and organized an insurance business. He remained interested in the school until his death in 1955.

---

Louis Hair served as principal one year: 1945-1946

---

## PRESENT PRINCIPAL 1946-1967

C. C. Wright first came to West Yadkin in 1941-1942 as a teacher of history and English. After a tour of duty in Navy he returned as principal in 1946 and has served continually through 1967.

He has witnessed the addition of a high school building with luncheonette, a new gymnasium after the destruction of first by fire, an additional elementary building, much improvement to the school campus, and the addition of an athletic field.

Mr. Wright plans to remain as principal of the elementary school.
